PROGRAMMING TEAM FLOW CHART - Baptiste

Bavan Max Matthew	Arka Pedro Benjamin	Baptiste Sacha
Hardware connections	Movement	Autonomous
↓	↓	↓
References: motors -> code	Forwards/Backwards	Detecting/Responding to colour
↓	↓	↓
References: compass -> code	Turning left/right	Locating visual objects
↓	↓	↓
References: sensors -> code	Game controller code (in terms of logic)	Pick up and drop objects (Harder than it seems...)
↓	↓	↓
Game controller connection	Sense direction with compass	Following a line on floor
↓	↓	↓
Connections to various servos	Moving the arm	Autonomous programming without limit (fun part).

Make sure to read the GitHub README file.
